Our Mission: "At Green Haven Golf Club, our mission is to inspire and elevate the game of golf for players of all levels. We are committed to providing an exceptional golfing experience through top-tier facilities, expert guidance, and a welcoming community. Our goal is to foster a love for the sport, promote sportsmanship, and create lasting memories on the greens."

At Green Haven Golf Club, we pride ourselves on being a casual golf club that caters to high-end players. We're seeking your expertise to create a website that highlights the events we offer, displays pricing for our golf course and driving range, and conveniently informs users of our course operating hours. Additionally, we would like a form to collect names and email addresses for our newsletter. We are also open to allowing you to advertise the company creating the website. Furthermore, the website should include an option for users to join the club and display data from our on-site weather station.

## **Website Requirements:**

Assets: Use of images/videos provided. If any more are needed, the designers are free to find more, but must use 3-4 photos that were provided and the one video. We have two logos, we are going to allow the designers to choose which logo.

Colors: The client would like the use of their colors only.

Fonts: The client would like all font choices to show the higher end of the course, We would like there to be at least one script font and one sans serif font.

Pages: The client would need 2 pages, a home page, and a page that the developing company would create for the tasks above.
